

THOMAS DAKIN

Distilled and made in Manchester, this highly-collectible, delicious small batch gin is juniper-led, with sweet orange and citrus notes on the palate and a smooth, savoury finish thanks to the cubebs and red cole.

For our perfect serve, simply pour over ice with orange peel and Fever-Tree Mediterranean Tonic water.

DARNLEYS VIEW SPICED GIN

A crisp, tasty, London Dry Gin. Darnley's is named after the time when Mary Queen of Scots first met her future husband Lord Darnley at Wemyss Castle in 1565.

We think it tastes great over ice with coriander leaves and a cinnamon stick with Schweppes tonic.

HOGARTHS OLD TOM

Crafted in small batches, this Great British Dry Gin has very classic soft clean low tones of vanilla and angelica with superb lingering citrus and classic juniper spice to finish. Try our London Dry over ice with Thomas Henry Tonic, garnished with lemon and lime peel. It's delicious.

THE DUKE MUNICH DRY

All the way from Munich, Germany, comes The Duke Munich Dry Gin, featuring a selection of botanicals including orange blossom, ginger root, coriander, lemon peel, angelica root, lavender, cubeb and juniper, among others.

We think its fantastic served over ice with dark chocolate shavings and Fever-Tree Tonic Water.

MONKEY 47 SLOE

This tasty Sloe gin is distilled in single batch production with 3 months maturation taking place. The Sloe berries are wild grown and hand picked from the Black Forest in Germany.

Delicious served over ice with a lemon slice (optional) and lemonade.
